Experience

Wordpress Developer

Alis Tech Solutions

Feb 2024 - Present (3 months)

At Alis Tech Solutions in Burewala since February 2024, I excel as a WordPress website developer, leveraging my expertise to create engaging and responsive digital experiences. I collaborate closely with clients to understand their needs, translating them into functional and visually captivating websites. Through strategic implementation of plugins and themes, I ensure optimal performance and user satisfaction.

Wordpress Developer

Techwise IT Solutions

Mar 2023 - Feb 2024 (1 year)

During my tenure at Techwise IT Solutions in Burewala from 2023 to 2024, I specialized as a WordPress developer, adept at crafting dynamic and visually appealing websites. I contributed to numerous projects, implementing custom themes, plugins, and optimizing site performance. Collaborating closely with clients, I ensured their vision was realized through seamless functionality and user experience.

Education

Allama Iqbal Open University

Bachelor's Degree, Sociology

2023 - 2025

Currently pursuing a Bachelor's degree in Sociology with a focus on understanding human behavior, societal structures, and cultural dynamics.

GOVT College of Commerce

Associate's Degree, Computer Science

2019 - 2021

Completed comprehensive coursework in computer science fundamentals, including programming languages, algorithms, and database management, providing a strong foundation for professional development in the field.
